6mm Bottom Ports:	HPM-xxSLGF	JVS-xxSLGFS
1/8" BSPP Bottom Ports:	HPM-xxSLG	JVS-xxSLGS
Availability	Special Order 4-6 weeks	Stocked at AW-Lake
Price for 15 Size (2015)	\$3,325.00 USD	\$2,416.00 USD
Price for 20 Size (2015)	\$3,374.00 USD	\$2,471.00 USD

Note: Because the JVS-xxSLG meters are superior, or identical, in every feature (with exception of the optional titanium coated gear set for the HPM's), AW-Lake only stocks the JVS-SLG series meters. HPM-SLG series meters are still available via special order. When shown this comparison, 98% of our customers choose the JVS-SLG series meters as they are stocked and with volume production, a better value.
