

LANCER®

ID 4400 30" Counter Top Self Service Ice Dispensers

ID 4400 30"
250 lb Ice Dispenser

The ID 4400 30" is designed using the highest quality materials and state-of-the-art technology providing our customers with consistent quality and ice dispensing.

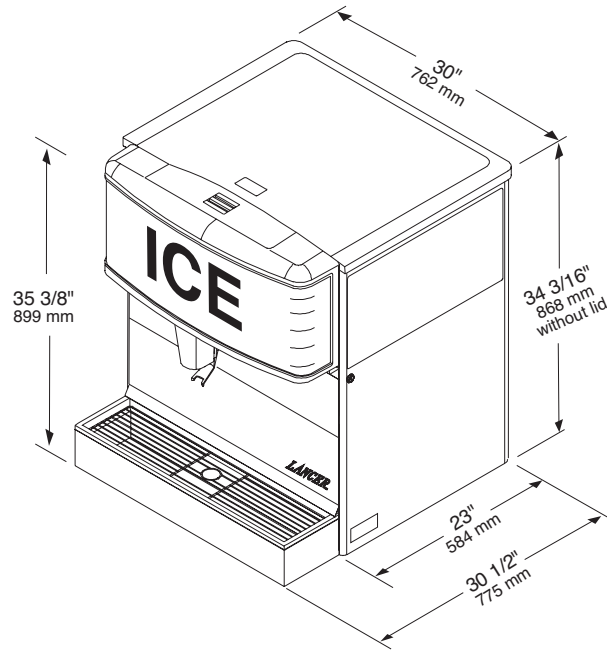

- Push and lever ice dispensing versatility
- Visual low-ice indicator lights up to alert the need for ice in the dispenser bin
- High-capacity drip tray to handle customer ice over-fill helps avoid safety hazards and station clean-up from spills
- Water valve option available
- Unique Hex-Drive ice agitation and dispense drive system for trouble-free operation and long service life
- Heavy duty 316L stainless steel construction, exterior and interior
- Fully Insulated storage bin and stainless drip tray controls condensation and helps avoid moisture related safety hazards
