

Item description/product images

**Description****Material:**

Stainless steel 1.4125

Version:

Bright.

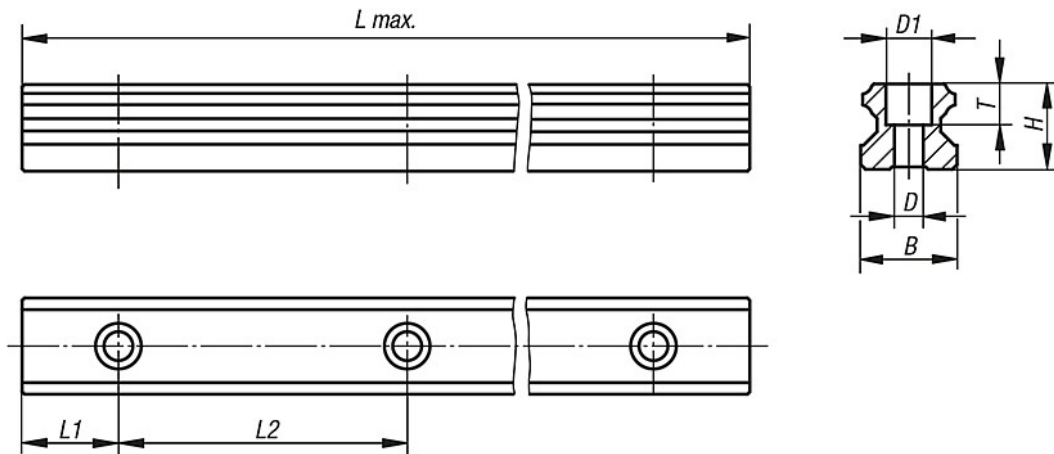

Note:

The guide rails can be screwed down from above.

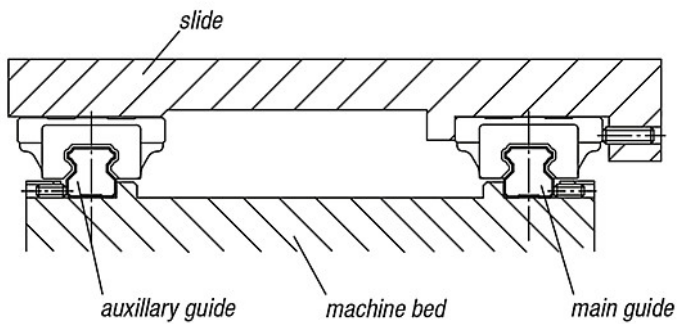

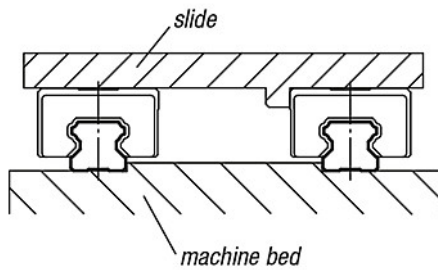

The rails are available in three sizes on which one or more carriages can be mounted.

If the rails are to be laid in series, the ends need to be milled or ground. Please indicate when ordering.

Drawings

Application possibilities:
 profile guide rails with carriages arranged as guide systems
