## PARTS AND ACCESSORIES

### 7" LID GASKET

- Natural EPDM
- Viton (optional)
- Natural in color

### 7" POLY CAP

- Polypropylene
- 2" NPS thread (Center)
- White in color

### 2" VENTED BUNG PLUG

- High Density Polyethylene
- 2" NPT
- Natural in color

### 22" CLAMP RING

- Steel / Powder Coated
- One piece design
- Self torque

### 2" BALL VALVE

- Polypropylene
- Camlock end connection
- PTFE valve seals
- Black in color w/ yellow handle

### BALL VALVE DUST CAP

- Polypropylene
- 2" straight thread for dust cap
- Black in color

### 3" PALLET TO BOTTLE ATTACHMENT PLUG

- 10% Glass filled Polypropylene
- Special designed buttress threads for superior strength
- Black in color

### 22" POLY LID

- High Density Polypropylene
- 2" NPS vented plug
- 3/4" NPT plug
- White in color
- Molded in Urethane foam gasket
